MAYU, IT'S OKAY...
I DON'T NEED TO BECOME AN ASTRONAUT...

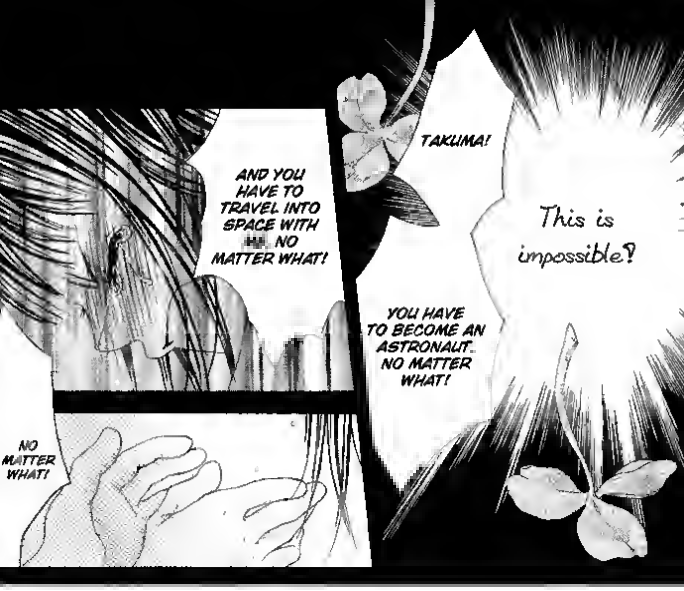
ALL RIGHT? SO STOP CRYING, OKAY?
It's impossible.



TAKUMA!
This is impossible?
YOU HAVE TO BECOME AN ASTRONAUT... NO MATTER WHAT!
AND YOU HAVE TO TRAVEL INTO SPACE WITH [redacted] NO MATTER WHAT!
NO MATTER WHAT!

Tenshi Tachi

...I...
REALLY DON'T MIND IF I DON'T BECOME AN ASTRONAUT...
BUT IN EXCHANGE

Grow up
PLEASE, MARRY ME WHEN WE GROW UP!
Wooo
I said it!
BLUSH
Tenshi Tachi
ABSOLUTELY, ONCE WE'VE TURNED 20!

I didn't understand why you were crying until 4 years later
Back then, I still believed that I would get better.
IF YOU BREAK YOUR PROMISE, I WON'T FORGIVE YOU!
I believed that we would be together in the future.
A promise that I wouldn't be able to keep.
OKAY...!
I made the worst promise.

About Takuma and Mayu

In this volume, Takuma's hair is still black, Mayu still has straight bangs (straight Mayu bangs (lol)) She has gotten sassier making her extremely endearing. I think there are people here that have already realized this but compared to how they looked in Boku Imouto they look quite different (lol) But that's okay (lol) since they are the protagonists. Plus they'll continue to be cool and cute!!! Please look forward to it! The plan is to have the relationship between these two slowly change over time. The ending for the story is also already decided. Please continue reading the series 'til the end. I'll do my best to keep you interested!

5TH TIME LUCKY! I'M NEVER COMING BACK AGAIN, OKAY?!
Grins

TANEDA-SENSEI, AREN'T YOU GOING TO SAY: "CONGRATULATIONS ON YOUR DISCHARGE"?

The only thing that has changed is
the fact that I don't tell you anymore that I love you...
Because that's something I must not say to you.

It's the start of "Boku no Hatsukoi wo Kimi ni Sasagu"!!

Hello! It's an exciting new series!! Are there people here that haven't read my work before...? "Boku-Kimi" is created from my last work, "Boku wa Imouto ni Koi wo Suru". This is a fresh start for the protagonist, Kakinouchi Takuma, who was a "dorm leader" in my last work. People who knew Takuma and Maya from "Boku-Imouto" and also people who don't know them, please give these two a brand new start!!

My favourite scenes of Takuma-kun from this volume.
Can you figure out which scenes these are from?? (lol)

About Sho-Comi

"Boku no Hatsukoi wo Kimi ni Sasagu" is currently running in Shoujo-Comic. There are plans for lots of really cute and wonderful bonuses for the magazine I'm really a manga magazine person. If everyone could take a look I would be very happy. In the magazines there are articles and coloured pages that didn't go in to print ♡ Please check them out ♡♡ Incidentally, there are also plans for an illustration of a grown up version of Takuma and Mayu and collector cards!

When we were on the train going to Kyoto,
I secretly cried a little...

About the charm & the web

The four leaf clover charm from Kyoto's Ninnaji Temple that appeared in the series is actually sold at the temple. There are two versions: pink and white. They're both very cute.♡ This charm is going to be sold on my website (around 2005 Nov.) with Ninnaji Temple's permission. Any readers interested in this charm please visit the following website.♡ There are a lot of interesting things there.♡♡

The second volume of BokuKimi, which is released every 2 months, will be on sale around January 26th, 2006.♥

Yay! It's released every 2 months! ♥♥

It's almost the same as having two volumes on sale at once, so it's like a dream come true. I'm so happy!♥

Though BokuKimi is infamous for advancing slowly (lol), the next volume will finally be set in Junior High! They'll be enrolling in Shitou Academy—the same school from Bokumo. There'll be many new characters, so it'll be very lively.

Please check out the next volume's preview.

I hope to see you next month!♥

What on earth is happening to Mayu?! It'll be revealed in the next volume!
